Customer Qualifications: Form must be complete by the customer of record and submitted within 30 days of service/installation. Rebate is subject to approval, is contingent upon fund availability and may be discontinued without prior notification. Onsite verification may be required. In the event that a customer is in default of any payment obligation to FPUA or has payment arrangements, FPUA may apply the rebate as a credit against such amounts. I hereby certify that the rebate requirements have been met and the information provided is to best of my knowledge correct. By participating in this program, customer agrees that FPUA shall have the sole right to obtain and retain ownership of, and to qualify for and receive the full benefit of, any and all existing and future credits, certificates, benefits, environmental attributes, emissions reductions, offsets and/or allowances, however entitled, attributable to the purchase, installation and/or operation of the above rebates. Limit to one rebate per appliance. All appliances must be new. FPUA recommends that you dispose of your old appliance by calling Waste Pro at 772-595-9390 or the City of Fort Pierce at 772-467-3000. **Appliance must be installed to use FPUA natural gas.**
